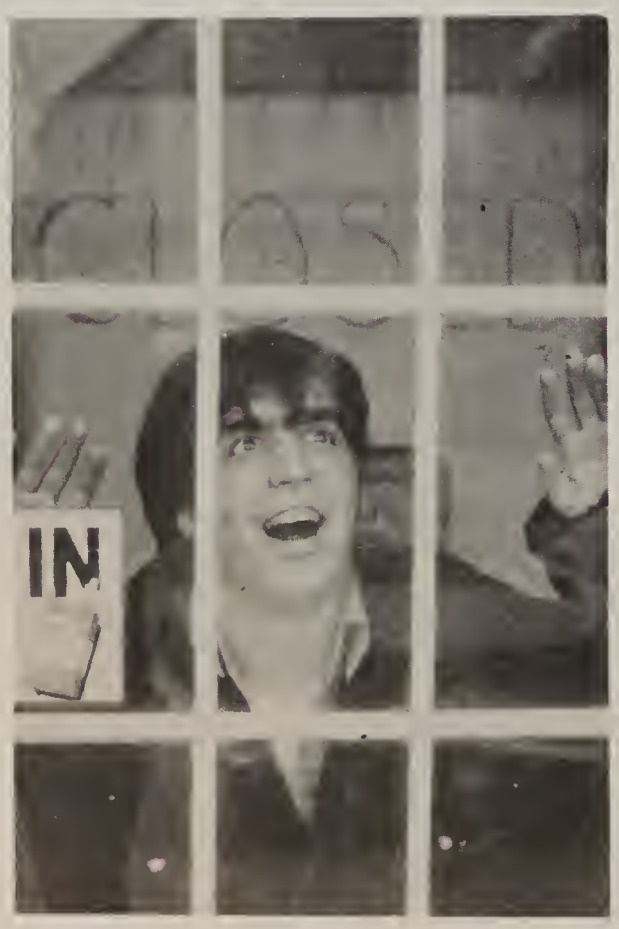
Medfield High School
Medfield, Massachusetts



IN

This Is Dedicated To The Lady We Love . . .

In 1950 a woman came to Medfield High School with a desire to teach. But, since then, above and beyond her teaching, she has assisted, directed, advised, understood, cared for, and, most of all, loved hundreds of students.

She has been an indispensable asset to the Business Department, Student Councils, Graduations, Senior Banquets — to the school as a whole.

And so, the class of 1973 wishes to bestow this long-deserved recognition upon Mrs. Potter, with gratitude for the many hours she has worked with us, and with best wishes for the future.

Meanwhile . . .

To the Class of 1973,

You have worked hard and learned much — about the academic disciplines, about the world, and about yourselves. You know the joys of the bright moments of success and the difficult but all-too-clear moments found in temporary failures. You also know many of the major needs in our world. Now you are ready to expand you sense of membership in the meaningful, yet fragile society known as the Community of Man . . . Care, make a difference.

Congratulations and best wishes.

Warmly,
Bruce C. Pulsifer, Superintendent

. . . Back At The Office

To the Class of 1973

As each of you have completed your senior year in high school, the time comes to reflect on what you have gained from your education. It is also time to look ahead to your future. Give to the world the best that you can and the best will come back to you. My very best wishes go to all of you for a successful life.

Russell H. Johnston, Jr., Principal

May be forgotten by and by.

The sunlight on the garden
Hardens and grows cold,
We cannot cage the minute
Within its nets of gold;
When all is told
We cannot beg for pardon.

Our freedom as free lances
Advances towards its end;
The earth compels, upon it
Sonnets and birds descend;
And soon, my friend,
We shall have no time for dances . . .

And not expecting pardon,
Hardened in heart anew,
But glad to have sat under
Thunder and rain with you,
And grateful too
For sunlight on the garden.

OUR TWO FRIENDLY IMPORTS

SIS

Medfield may be a small town but I really love it here and have had a good time. For me it's more like living in the country-side and not at all like a town. Many students say there is never anything going on in Medfield, but I have always something to do, friends, my wonderful family and new experiences every day. The school spirit at Medfield High is really great. Good Luck Medfield and Medfield High in the future!

–Ann

AFS

They asked me to say something for the Peak about what I think and feel about Medfield. So here I am, trying to think of something very short that means what I feel about it. And I'm considering how difficult it is to express your feelings especially about something you love.

Can I say that I like it? No it isn't true. I just love it. I know: it is not big, not important, nothing special, but when you love someone or something does it have to be something big, important and special? No! It just becomes that way to you. So, I just know that I'm living here and it's becoming always more a part of myself and I'm happy because of everything and everyone because of the way it is! Isn't this enough?

Football 1972

After dropping three disheartening losses, the undaunted Warrior squad came back to win five of the last six games, to give them a respectable 5-4-0 season. Lead by captain, Steve Farrar, the aggressive Medfield team was denied a victory against Holliston, but the Panther coach termed the Warriors as the best team they had faced in two years. Medfield capped off the season with an exciting come-from-behind victory over arch-rival Dover-Sherborn on Thanksgiving day. Following a highly disputed touchdown resulted from a Raider punt return, half-back Bob Duddy raced 7 yards and the next play from scrimmage for the first Medfield score. Quarter-back Billy Tulloch marched the aroused team down the field in the late fourth quarter and snuck the ball across from one to put Medfield ahead. Duddy swept around the right end to end the scoring. The Warriors rallied and brought home the trophy for the first time in three years.

Big Blue Basketball

Medfield Big Blue Basketball, led by Captain Bob Iverson, gained statewide publicity with its outstanding performance this year. With a regular season record of 17 wins and 3 losses, the Big Blue placed second in the Tri-Valley League and qualified for the Tech Tourney.

During the Tourney, Medfield defeated Somerset and set a Tourney record by defeating Middleboro in four overtimes with Dave Woglom's last second shot. For the second year in a row Medfield entered the Division II South Finals, but were turned away by a strong Plymouth-Carver team 62-55.

During the Somerset game Bob Iverson scored the 1000th point of his career and Coach Ruggiero won his 100th game as a coach. Iverson joins Jeff Coon and brother David Iverson in the distinction of scoring 1000 points. This was also the first time in state history that two brothers have broken the 1000 point barrier.

The Medfield Girl's Basketball Team was undefeated in it's regular, as well as, post-season games this year, extending its unbeaten string to 21 games.

The well-disciplined "Powder Blues" were guided by center and co-captain April Goodwin and other co-captain Dorothy "Pistol Pete" Lennon. All around balance and additional scoring power was added by key forwards Sally Evans and Virginia "Arooga" Peebles, who was always dynamic under the boards. Scrappy play-maker Linda Savage was a threat both offensively and defensively.

The Tournament games were easily won by the "Powder Blues". The Southeastern Tournament MVP was awarded to April Goodwin, and the All-Tourney trophy went to Linda Savage. Aside from the team trophy, each member was awarded an individual trophy for her outstanding performance.

There's a world you're living in.
No one else has your part.
All God's children in the wind.
Take it in and blow hard.

Look around you — Has it found you walking down the avenue?
See what it brings — Could be good things in the air for you.

We are leaving. We are gone.
Come with us to all alone.
Never worry. Never moan.
We will leave you all alone.

In the mountains, in the cities, you can see the dream.
Look around you. Has it found you? Is it what it seems?

Tnere's a world you're living in.
No one else has your part,
All God's children in the wind.
Take it in and blow hard.
